

Exota Trio is a project by three experienced, enthusiastic musicians. Jazzy, but accessible. Groovy, but also melodiously. This is a guitartrio with it's roots in the tradition, but with distinction because of it's musical space for drums and bass.

Marcel Karreman - guitar  
Han Slinger - double bass  
Maarten Zwarts - drums

Listen to the songs and have a look at the clips and pictures at this DVD.
